PTQ Members,

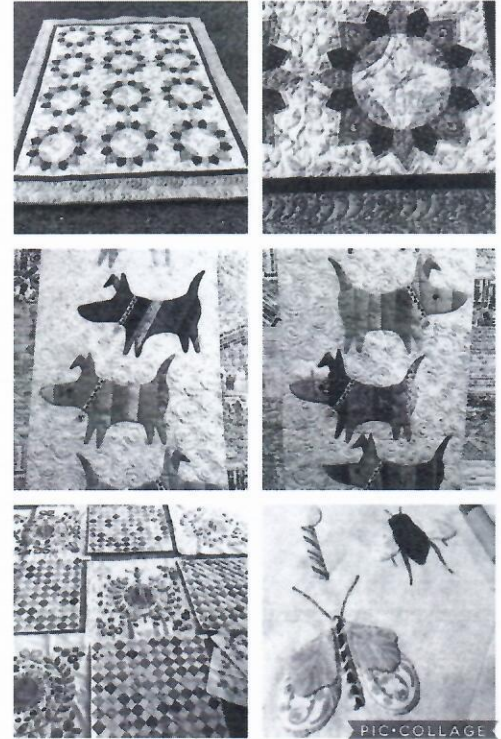

We hope that you and your family are doing well. We will not be meeting as a guild until who knows. It is a time of uncertainty as we stay safe at home and practice social distancing. It is how we help keep ourselves safe as well as others. It is the most important thing we can do right now.

Just a reminder that we have our PTQ Member Info Facebook page with 95 members. It is a way to stay in touch and share some of the projects and things you have been working on. A great way to show & tell! Please post and share it with us.

We have gotten several questions about sewing face masks. Please check out Kari's Facebook page for the Needlework Workshop. She has lots of info there about making face-masks. Although currently there appears to be an elastic shortage, soon to be remedied with an expected shipment due at Kari's shop.

There are so many quilt-related blogs, podcasts, free patterns, ebooks on quilting, quilt shops online, and websites that despite being confined we can still continue discovering and learning new things in the quilting world. If you find something noteworthy, post it!

Happy stitching! Ann & Cindy

2020 FALL RETREAT - TREEHAVEN

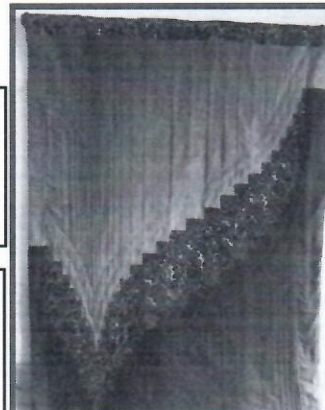

Wish we could give you a more solid status report about the Treehaven Fall Retreat scheduled for October 28 through November 1, 2020. As of this date, their website still indicates the facility is closed until further notice. The UW system makes the policies based on current conditions and recommendations and right now, we just don't know what the Fall will bring on any front. We still have our reservation in place and will keep everyone posted with any further updates. Of course, any deposits you have made will be either refunded or held over until 2021 should we have to cancel completely. But for now, let's think positively and please, everyone - stay safe and well.
