

# PTQ Friendship Block #114

Due June 14, 2022

## Floating Nine-Patch Block

- ✓ Your block will measure 11 ½ " square
- ✓ When in the quilt, it will finish at 11 inches
- ✓ Neutral Fabric is provided for framing the 9-patch block
- ✓ Color Scheme: Navy or light blue, sage or olive greens, browns. Print, Plain or Plaid

Step 1: Cut 9 - 2 ¼" squares (not 2 ½ as we are used to)

Sew into three strips of three

Nest seams and sew into a nine patch

This will measure 5 ¾" square.

Step 2: Sew a neutral strip 5 ¾ inches (provided) to the top and bottom of the 9-patch

Press to the neutral

Sew a neutral strip 7 ¾ "(provided) to the two remaining sides

Press to the neutral. This will now measure 7 ¾ "square

Step three: Cut a 10-inch square (from the color scheme) diagonally twice (see above)

Center the triangle and sew a triangle to the top and bottom of the framed 9-patch unit

**\*\*Note the triangles are larger than needed which creates a floating 9 patch.**

Press toward the triangles and trim off ears

Sew a triangle to each side. Press toward the triangles

Block will measure 11 1/2" x 11 ½" (Do Not Trim down. I'll do that part when assembling)

DO NOT SIGN

Put a sticker on the block with your name.

Thank You for participating!!! Debbie Sullivan 715 574-2703
