

PTQ Skill Builder – Feb 2022 – Jane Kellerman

Materials Required: 15" long print fabric strips in varying widths.

Diagram I. Sew together 15" long, assorted prints strips in varying widths in random order to make (2)-15" x 15" squares.

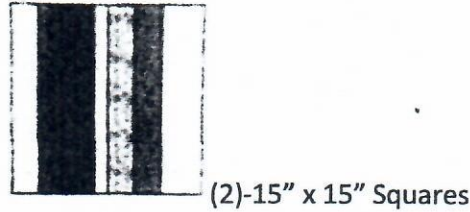

Diagram I

Diagram I. Place (1)-square with strips going vertically right sides together on the second square with the strips going horizontally. Stitch ¼" seam around all sides. Makes one total square.

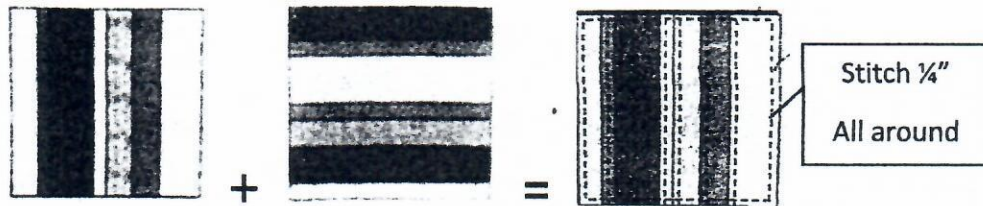

Diagram II

Diagram III. Cut sewn squares in half twice diagonally. Press units open. Take care not to stretch bias edges.

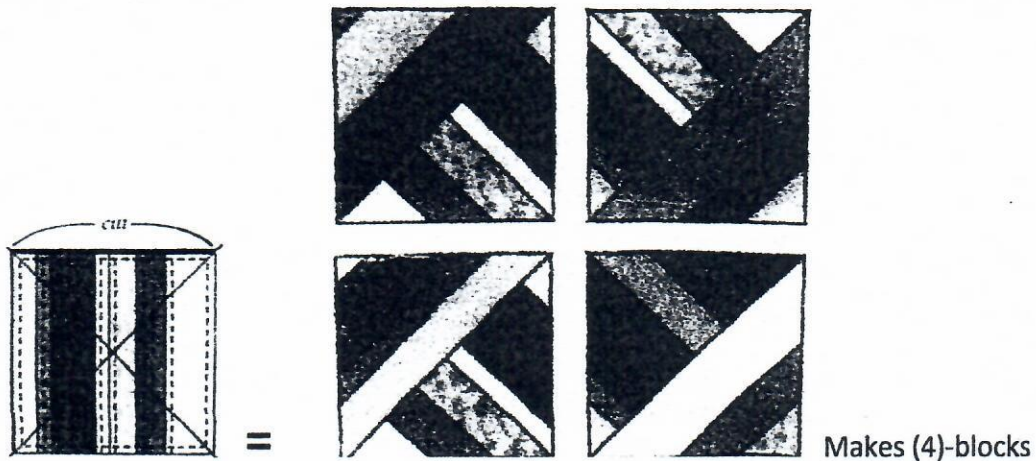

Diagram III

Diagram IV. Trim to 9-1/2". (2)- of the (4)-blocks were used in the PTQ Skill Builder quilt layout.
