Watch for information on new location

We have been informed that PTQ can no longer hold our regular meetings at Mount Olive after January 2025. The board met via Zoom on Nov. 23 and again on Dec. 9 to discuss alternatives.

Board members have made inquiries at several alternate venues for our regular meetings, asking about availability for our usual schedule, seating space, parking, AV capabilities, possible storage and other requirements. A work group has consolidated our stored items to get a better sense of our storage space needs.

We have a promising lead! Please keep watching your email for more information as the board narrows the choices for our meeting place.
